

Bénédicte Amphimaque - DIAGNOSTIC IMAGING

EBVS® European Specialist in Veterinary Diagnostic Imaging

Member of European College of Veterinary Diagnostic Imaging, Switzerland

Dr. Amphimaque is a Diplomate of the European College of Veterinary Diagnostic Imaging (ECVDI). She was born in the French Caribbean Island of Martinique where she spent her early childhood. She then moved to the seaside city of Arcachon, Southwest of France. She is a 2017 graduate of VetAgroSup, Campus Vétérinaire de Lyon in France. After a year of ERASMUS at the University College Dublin and multiple externships in European and North American veterinary hospitals, she completed a small animal rotating internship in Paris, in one of the busiest French referral centers. Right after, she was accepted into a four-year radiology residency at Bern Vetsuisse Fakultät in Switzerland. She is the author and co-author of scientific publications in international veterinary journals with a special focus on neuroimaging. Bénédicte spends her time either scuba diving in the clear blue waters of her native island or hiking the snowy peaks of the Swiss Alps. Her hobbies include music, fashion and art. You'll find her either hopping on a plane or riding her Dutch warmblood stallion called Quick Jet.
